Dear Dr. Eisenburg:

We have just learned of your gift in support of the Fall Oncogenes and Mitogens Symposium entitled "Molecular Signalling and Cell Structure" and, I write to add my thanks. We are most appreciative of your support which will enable us to continue offering the finest patient care, medical training and research available.

On behalf of the School of Medicine, may I take this opportunity to thank you for this wonderful gift. The vote of confidence which our friends give our programs with their financial support is of great value to the School and to the University.

Sincerely,

Robert M. Carey, M.D.
